SEWER TRESTLE AT WABASH BREAKS

BIG RAIN CAUSES UNDERMINING OF SUPPORTS

REPAIR WORK DIFFICULT

Low Ground, Embankment and Hot Weather Has Made Condition Bad for the Men

The trestle on the north side of the embankment of the Wabash tracks north of the Forsyth slaughter house, carrying the sewer line, was undermined by the big rain and sagged. This caused the pipes to break and the raw sewage began pouring out on ground and flowing down the hill to the branch a little further north in place of going on down the line to the discharge point some distance below the pumping station on the One Hundred and Two River.

Mayor Fred P. Robinson has had a force of men at work trying to repair the trestle for some time and is finding it a difficult task. The place in which the men must work is low and the embankment of the railroad cuts off all the breeze. In addition to the intense heat it is hard to get the proper base for the piers of the trestle work. Mayor Robinson says that he believes that in time the ravine will wash out to such an extent that it will no longer be possible to maintain the trestle and that it will become necessary to suspend the sewer line from cables fastened to piers in the hill at either side of the ravine. In this case it would be necessary to use metal piping for the line on the trestle in place of the clay tile, on account of the fact that a cable suspension would sway somewhat.

The trestle was built to carry the pipe line over the ravine since it is necessary to have a gradual fall in a sewer line from the point of its head to where it discharges. It cannot be run down in low places and up the hills again as the water lines are run.

Near where the trestle that is now giving the trouble is located the sewer line that runs through a hill at a distance of sixty feet below the surface. At a place near the St. Mary's Catholic Church another line passes through a hill at a distance of forty feet below the surface.

T. H. LEET ABLE TO BE UP AFTER ILLNESS OF FIVE WEEKS

Expects to Go With Mrs. Leet to Agency and Laddonia for a Visit Soon.

T. H. Leet who has been ill with typhoid fever at his home for the past five weeks, is well enough today to get around the house. It is thought that he will be well enough by the first of the week to make a trip to Agency and Laddonia, to visit with relatives until he has regained his strength.

It is the plan for Mr. and Mrs. Leet and daughter, Barbara, to leave the first of the week for Agency, where they will visit with Mrs. Leet's parents, the Rev. and Mrs. E. L. Rutledge. Later they will go to Laddonia, where they will visit with Mrs. Ellen Leet.

Mr. and Mrs. Leet will join their two daughters, Charlotte and Helen, at Agency, where they have been for the past three weeks visiting with their grandparents.

TREASURY DEPARTMENT REPLIES TO BALFOUR

Washington, Aug. 3—There will never be a cancellation of the international war debts on the basis of equality among the nations of the world so far as the United States is concerned, the treasury department announced in an informal reply to Balfour's note which virtually makes such recommendation.

Lee Strickler, who has been ill with rheumatism for some time at his home on West Fifth street is considered some better today. He has been bothered with this trouble for some time and has been confined to his bed for about two weeks.

He is well enough now that he can sit up for about a half hour at a time and is hopeful that he will soon be well enough to get back to his work. He is an employee of the Sisson Loan and Title Company.

M. H. S. ORCHESTRA TO HAVE REHEARSAL

AT BUILDING AT 7:15 O'CLOCK TOMORROW EVENING

PLANS BIG ORGANIZATION

Loren J. Schnabel Expects It to Be Twice the Size It Was Last Year

The Maryville High School orchestra, under the direction of Loren J. Schnabel, director of music at the high school, will hold a rehearsal at the high school building at 7:15 o'clock tomorrow evening, to which all the students of the high school who expect to play in the orchestra this winter are urged to come. Mr. Schnabel said this morning that the purpose of the meeting was that of finding new material for the orchestra and of giving those who have not played in it before a chance to get a start. He wants, things ready and organized well enough by the time school opens that they may go off smoothly from the beginning.

Mr. Schnabel has been holding rehearsals of the orchestra for the past two months, keeping the boys and girls in practice on the music and in playing together during the summer months. He says that he expects to have an orchestra at the high school this year that will be twice the size of the one of last year. Last year there were thirty pieces.

The orchestra last year was the largest that the Maryville High School has ever had and it did a lot of good work. In the Northwest Missouri contests, held in Maryville this spring the orchestra was entered in all the events for orchestra. In the one for orchestras of twelve pieces and under it lost first place by one point and in the one for more than twelve pieces it lost by a half point. At the same time the chorus of the local high school won by a point and a half.

Mr. Schnabel says that he will have a lot of new instruments in the orchestra this year. He says that among these will be the obeo, the flute, the violas, the tuba and the string base. An orchestra needs many kinds of instruments for the proper blending as a painting needs many colors.

The interest among parents for having their sons and daughters in the orchestra during the coming year is especially good. Mr. Schnabel says. A number of them have inquired of him as to what arrangement can be made for having their children play in the organization this winter.

It is especially important that those who are beginners attend the rehearsal tomorrow evening, so that they may be getting ready for the regular practices after the beginning of the sessions of school September 4.

FAIRVIEW COMMUNITY TO PLAN PROGRAM THIS EVENING

Will Be Sixth in the County to Meet With County Agent for This Purpose

Five neighbors in the county have met with Roy A. Kinnaird, county farm agent, to plan out programs of work for the community during the coming year. The Fairview community is the sixth to see the value of a years program of work and the members of the executive committee of the farm bureau and members of the community will meet tonight with Mr. Kinnaird at the Fairview School-house northeast of Barnard, to plan out the year's work.

The other communities which have planned out their work are; Harmony, Ravenwood, Clyde, Conception and Guilford.

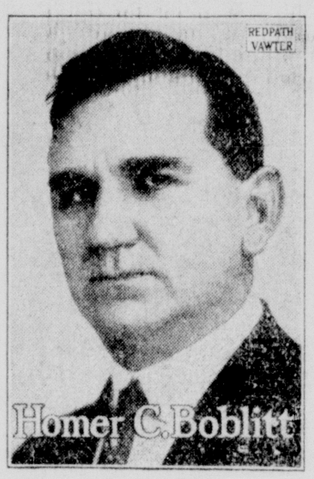
1 CAR CHAUTAUQUA ARRIVES YESTERDAY

TO BE LARGE REST ROOM FOR WOMEN

BOBLITT 2:30 SATURDAY

Farm Bureau Members Admitted Free—Telephone to be Placed on Grounds

A carload of equipment for the chautauqua tent arrived yesterday at the Burlington station and is being unloaded and taken to the grounds at the Maryville High School today. The



property man, Paul Grigsby, came with the equipment. Mr. Grigsby was here with the chautauqua two years ago as one of the tent men.

The local committee has made arrangements with the Redpath-Vawter for furnishing a tent 14x28 feet for a rest room for women. It is to have five rooms. It will be placed inside the canvass enclosure so that it will be easily accessible. In order to keep the grounds neat and clean this year the committee will place barrels on the grounds for the waste paper and the tents and grounds will be cleaned each morning.

A telephone will be placed within the enclosure so that business and professional men may attend the programs and be called if they are wanted.

At noon today it was announced by the committee that the number of tickets sold was within fifty of the required number for the guarantee.

The opening number will be at 2:30 o'clock Saturday afternoon and the speaker will be Homer C. Boblitt, who will speak on "Is Farming a Business?" Fifteen hundred tickets have been placed with Roy A. Kinnaird, county agent, for this opening number and the tickets are to be given free of charge to the members of the farm bureau and their family.

At 4 o'clock Saturday afternoon the Junior Town will be organized and at 8 o'clock the program will be opened with banjo music by the Mitchell Brothers. The speaker of the evening will be Hon. Robert G. Cousins. Te will speak on "The Grim Glories of the Flag."

C. OF C. ARRANGING TO TAKE PLAYERS TO BARNARD

Asking That Those Who Can Furnish Places in Their Motor Car for Musicians

The Chamber of Commerce is making arrangements for furnishing transportation to Barnard tomorrow for the members of the combined bands of Nodaway County who have no transportation of their own. It is estimated that eight or ten cars will be needed for this purpose. George A. Pickens, secretary, desires that every one who will help out in the situation get in touch with the Chamber and say how many he can take.

The combined bands will make their second appearance of the year at the picnic tomorrow afternoon. They appeared first in Maryville as one of the features of the Nodaway County Music Week.

ARREST G. PURCELL AT CONCEPTION

IS CHARGED DEPUTY SHERIFF TALKED TOO MUCH

TAKEN TO KANSAS CITY

Deputy U. S. Marshals Got Him After He Had Been Called to Station To Meet Train

Gabe Purcell, deputy sheriff, was arrested at Conception yesterday afternoon and taken to Kansas City by deputy United States marshals. The report is that Mr. Purcell was working about his home at Conception shortly before number 5 on the Great Western, due at 3:30 o'clock in the afternoon came in. A telephone call came asking if he could meet number 5. He met the train, was arrested and taken on to the city. He called back last night and asked that T. F. Merrigen, postmaster at Conception; O. R. Proctor, hardware merchant at Conception; Sheriff Steve Roach and W. G. Sawyers of Maryville, and some other men go to Kansas City. Sheriff Roach went down last night.

It is said Mr. Purcell has been talking and interferring with the terms of the injunction issued by the federal court in Kansas City a week ago. The warrant for his arrest was said to have contained these two charges.

Mr. Purcell has been a deputy sheriff for a number of years. On account of many of the strikers out at Conception Junction being residents of that town and friends of Mr. Purcell, it has been charged Mr. Purcell has been talking a great deal about sending deputy United States marshals as well as deputy sheriffs to guard the railroad shop there.

Information received here was also to the effect that some of the stores at Conception Junction are refusing to sell to the deputy marshals and the guards on duty at the shop, as well as the strikebreakers who are working there. It is said there are twenty workmen at the shop.

NATIONAL GUARDSMEN MINE IN INDIANA

Are Preparing to Remove Coal in Strip Mines While They are Enforcing Martial Law.

Indianapolis Aug. 3—The governors of Michigan, Ohio and Indiana with a representative from Kentucky will meet in conference this afternoon to discuss the present status of the coal strike in unavailing efforts of governors of all coal producing states to adjust differences between the operators and union miners.

Staunton, Ind., Aug. 3.—Clay county is under martial law and 700 national guardsmen are preparing to mine coal in two strip mines here. There was no violence when the troops assumed control. The machinists began repairing the machinery idle for four months.

TO CAST UP PRIMARY VOTE ON SATURDAY

The Court Will Meet Then to Count up Tuesday's Election—Will Not Change Results

The primary election vote cast in Tuesday's election will be counted Saturday by the members of the county court. This vote is required to be tabulated within five days of the primary election and then sent to the secretary of the state.

The official returns will not change the results in Nodaway County but it may give some candidates more votes than was printed in the unofficial returns in yesterday's Democrat-Forum.

Only a few absentee ballots have been received by County Clerk Fred Smith. Quite a number of absentee ballots were mailed from Maryville, being the votes of the students attending the State Teachers College, which were sent to their home counties.

REED EXPECTED TO KEEP LEAD OF 5,000

STILL SOME PRECINCTS HAVE NOT BEEN REPORTED.

LEE LEAD BY 21,341 VOTES

Oakerson Is Still Running Behind—White Ahead for Judge of Supreme Court.

St. Louis, Aug. 3.—Returns from 3,474 out of 3,848 precincts, or 374 precincts missing, and representative of every county in the state, gave Senator James A. Reed a plurality of 9,930. Reed is expected to keep his lead above the 5,000 mark.

The St. Louis Times stated Reed's lead with 351 precincts missing was 7,588.

R. R. Brewster has been selected as the Republican nominee. His lead was 7,998. Brewster is expected to increase his lead and his nomination is now being predicted by 40,000 votes.

Charles A. Lee is leading William Oakerson for state superintendent of schools nomination on the Democratic ticket. In 2,148 precincts Lee was 21,341 votes ahead. The vote was, Lee 104,769; Oakerson 83,338.

For justice of the supreme court, division No. 2, John White was leading on the Democratic ticket with Haywood Scott of Joplin second.

St. Louis, Aug. 3—With 300 precincts missing Senator James A. Reed is leading Breckinridge Long by approximately 8,000. It is estimated Reed's plurality will win by 5,000.

R. R. Brewster is in the lead for the Republican senatorial nomination and is expected to win by 15,000 to 30,000.

Washington, Aug. 3—The repudiation of Woodrow Wilson by the Democrats in Missouri renominating Senator Reed is looked upon in senatorial political circles as heralding an attempt to make Reed the Democratic nominee for president in 1924.

It is regarded here Reed's chances are good for re-election to the senate in November. Missouri is normally Democratic. Reed's victory will give him a tremendous influence in the party councils, leaders predict.

Mrs. R. A. Lincoln and Miss Pauline Swinford of Pickering were shopping here this morning.

FOREST W. HANNA WAS NOMINATED FOR JUDGE

Selected as Republican Candidate for Judge Division No. 2 in Kansas City.

Forest W. Hanna of Kansas City, son of Mr. and Mrs. O. C. Hanna of this city, was nominated in the primary election Tuesday in Kansas City as the Republican candidate for judge of the circuit court, division No. 2. Mr. Hanna received 10,711 votes to 3,676 votes for Luther N. Musser.

Mr. Hanna has been assistant prosecuting attorney of Jackson county for the past two years and has made good. His many friends in Maryville are wishing he will be able to be elected.

I'LL SEE YOU AT THE TEACHERS MEETING

THIS IS FAREWELL GREETING OF MANY STUDENTS.

TO BE OCTOBER 12-14

Teachers From Northwest Missouri to Gather Here Again at That Time.

"Goodby. I'll see you at the teachers' meeting this fall."

This is the farewell greeting that is being passed today by many of the students at the State Teachers College as they meet their frends for the last time before leaving town. They will be teaching in the schools of the Northwest Missouri district this year and will be back in Maryville for the association that is to be held October 12-14.

The meeting will furnish an excellent opportunity for the teachers of the district to meet again with one another and to get some good and helpful things for their work. The program has on it some of the prominent educators of the country. The following persons are scheduled to appear on the program:

P. G. Holden, director of agricultural extension, International Harvester Company; President Uel W. Lamkin; Dr. Thomas D. Wood, professor of physical education, Columbia University; Dr. Lee Driver, director of the bureau of education for the State of Pennsylvania; Dr. R. L. Lyman, school of education, University of Chicago; Dr. H. J. Waters, editor, Kansas City Weekly Star; Edward Vance Cook, poet and lecturer; Superintendent F. E. Patrick, Bethany; Dr. Thomas D. Wood; Dr. F. J. Kelley; Dr. R. L. Lyman; Fannie Hope, supervisor of grade schools, Maryville; L. W. Rader, assistant superintendent of schools, St. Louis; Grace Langdon, supervisor, Kansas City public schools; Bert Cooper; Homer T. Phillips.

Following are the officers of the Northwest Missouri Teachers' Association: President, S. C. Richeson, Hopkins; vice-president, Fred Keller, Chula; second vicepresident, Mrs. Allie Wilson, Princeton; third vice-president, Ed Adams, Barnard; secretary, C. A. Hawkins, Maryville; treasurer, E. O. Harvey, Tina; executive committee, Mrs. Anna Sims, Plattsburg; Miss Elizabeth Brainerd, Trenton, and W. A. Power, Quitman.

One of the features of the meeting will be that of the football game between the State Teachers College here and the State Teachers College of Peru, Neb. Another feature will be a reception by the College Club.

Music for the general program will be furnished by Charles R. Gardner of the Conservatory of Music of the State Teachers College.

It is expected that the cafeteria of the College dormitory will be able to furnish meals to the visiting teachers.

Negotiations are being made so that teachers may purchase round trip tickets at their home stations at one and a half fare.

KNIGHTS OF COLUMBUS PICNIC AT CONCEPTION SUNDAY

A basket dinner and all-day picnic will be held Sunday by the Conception Junction Knights of Columbus at Conception. All members of the Knights of Columbus over Nodaway County have been invited to attend. Several speeches will be given at the picnic and in the morning they will attend church at Conception Abbey.

GETTING READY FOR A LONG CONFLICT

RAILROADS HIRING MEN WITH MORE CARE

SENIORITY COMING AGAIN

President Harding Is not Expected to Act Until After the Cabinet Meeting Tomorrow

Chicago, Aug. 3—There is no sign of peace in the railway strike. The indications are that both sides are preparing to battle to a bitter end. The western roads are renewing their efforts to recruit workers to replace the strikers. It is reported that they are exercising greater care and are employing men classified at permanent employes. The shopmen in accepting the president's plans are said to have made a sacrifice and are placing the blame of the failure of the plan upon the railway executives.

Washington, Aug. 3.—Officials close to the White House expressed the belief that the vital question of seniority in the dispute will be placed before the labor board for decision within a few weeks. Once the board renders a decision the issue is binding as both sides have already committed themselves to the acceptance of the board's decision.

President Harding will take no drastic steps in the strike in advance of tomorrow's cabinet meeting, it was stated officially. The session will be a general staff meeting to devise tatical and strategical plans for ending the walkout, according to a member of the cabinet.

Washington, Aug 3—Plans for a federal receivership for those roads unable to fulfil their duty to the public is steadily gaining favor in high administration quarters. The plan would be adopted, however, only in event of a complete breakdown in efforts to compose the differences between the railroads and strikers.

Chicago, Aug. 3.—The railway labor board received a telegram from the relief shop workers on the Sante Fe lines containing a resolution asking they be guaranteed jobs and seniority when the strike is over. The telegram addressed from Topeka said the strikers threaten to run all men now employed out of the shops.

Chicago, Aug. 3—Robert Johnson, carpenter at the Illinois Central railway shops at Burnside was beaten to death this morning by four men. Johnson was enroute to work. The men fled, leaving him dying on the street.

PLANS ROAD TIE-UP; RESTRAIN BOND ISSUE

W. C. Irwin Announces He Will File Suit Against the Board Next Week

Jefferson City, Aug. 3—William C. Irwin of Jefferson City, a state senator, announced last night he would file suit next week to restrain the state board of fund commissioners from issuing any of the road bonds of the 60 million dollar issue authorized under the state's new highway program.

The highway commission yesterday announced it would ask the fund commissioners for 3 million dollars immediately.

Senator Irwin would not divulge for whom he was acting as attorney. He said the basis for the suit would be a charge that the designation of the primary road routes did not follow the letter and spirit of the law in connecting the centers of population in the state. Inquiry revealed that the Jefferson City commercial club had nothing to do with the suit.

Mrs. Roy Owens and daughter, Ruth, of Hiawatha, Kansas, arrived here today for a few weeks visit with Mrs. Owens mother, Mrs. C. A. Lawler.

H. F. Leet and his daughter, Miss Elizabeth Leet left this morning by motor for Wymore, Neb., where they will visit for a few days.

Charles R. Gardner will leave this evening for Boulder, Colo.

THE WEATHER

Generally fair in the east, somewhat unsettled in the west portion tonight and Friday; not much change in temperature.

LARGEST CIRCULATION IN NODAWAY COUNTY

DANIELS HAVE BEEN MARRIED 62 YEARS

Mr. and Mrs. John Daniels of Barnard Have Enjoyed Many Years of Wedded Life

(Barnard Bulletin.)

Mr. and Mrs. John Daniels enjoy the distinction of being the longest married of any couple to our knowledge in the south part of the county. On Tuesday, August 1, they celebrated their sixty-second wedding anniversary. Mr. Daniels was 85 years old on July 11 and Mrs. Daniels was 77 years old on December 11.

Mr. and Mrs. Daniels were married August 1, 1861 at Luteston, Nodaway county, which was a post office and which has long since been abandoned. It was located near Sheridan, Mo. Mrs. Daniels was Mary E. Stingley and was born in Indiana and came to Missouri in early childhood spending the early part of her life near Guilford. Mr. Daniels was born in Pike county Illinois and came to Missouri in 1859.

After the marriage Mr. and Mrs. Daniels moved to Rochester, Andrew county for two years after which time he enlisted in the U. S. cavalry under General Hatch. He saw service in Tennessee, Alabama and Mississippi and was captured and held in the Andersonville prison for five months, rejoining his company at Jacksonville, Florida near the end of the war.

After the war they lived near Rock Port, Mo., and later moved near Sheridan. They lived in Kansas, South Missouri and in Nodaway county, having lived in Barnard the past three years.

Six children were born to them, one dying in infancy. They are Mrs. Olive Winemiller of Barnard, Wm. Daniels, Ugene, Oregon, Milo Daniels of Athol, Kansas, Joseph Daniels of Douglas, Wyoming, and Mrs. Lydia Downing of near Sheridan. There are twenty-two gand children and sixteen great grand children in the family.

Mr. Daniels will leave Barnard about the fifteenth of August for Douglas, Wyoming where he will prove up on a claim of 320 acres he filed on about one year ago. He is perhaps the oldest man known to file on a claim and prove it up.

Mr. Daniels said he was born and reared a Democrat but the war changed him into a Republican and he has voted that ticket ever since.

Mrs. Carl Murray and daughter Helen went to Creston, Iowa where they will visit for a couple of weeks wich relatives.

One of our farmer friends told us the other day his plan to keep contented on the farm. He says that every time he feels he wants to leave the soil he goes to the city and after he has been nearly run down several times, balled out by a dozen traffic cops, robbed by the hotel keepers and bell boys, short changed by the movie ticket sellers and trampled on and elbowed about by the crowds, he is ready to return and be content for a while again.

KANSAS PREACHER TOURIST "TAKES OFF COLLAR AND TIE"

Dr. and Mrs. J. R. Caffyn and children, Dorothy and Lois motored through Maryville today enroute to Fayette County, Iowa to spend a month visiting with relatives. Dr. Caffyn is pastor of the First Methodist Church at Newton, Kan., and says that he has not only taken the month off but also his collar and tie and is going to enjoy a time rousting around through Missouri and Iowa.

The party left Newton last Tuesday and spent some time at Baker University and in Kansas City. They spent yesterday in St. Joseph at the home of the Rev. and Mrs. W. H. Moore. They had not visited the tourist park but said that they were going past there before leaving. They are not camping on their trip.

Two cars of tourists from Kansas City stopped in Maryville today enroute to Alexanderia, Minn., for a months visit. They left Kansas City this morning and came over the Ittsca Park Highway. They report the trail in good condition this far.

Those in the party were: Mr. and Mrs. G. E. Lovejoy and son, G. E. Lovejoy, Jr., Mr. and Mrs. W. W. Goodwin, J. A. Goodwin and Clara Lee Goodwin.

Wm. Downey Dies

Wm. Downey, father of Mortimer Downey and Cora B. Lance of this place, died at his home in Andrew county, Tuesday, August 1st, aged 87 years, 3 months and 11 days.

Funeral services were held at Antiock church Wednesday, August 2 at 10 a. m., conducted by the Rev. W. C. Francisco of Graham, after which the remains were laid to rest in the cemetery near the church.

Wm. Downey was born Feb. 20th, 1835 at Waverly, Ohio. In 1863 he was married to Emily Blacker, who died some 13 years ago. To this union five children were born, three of whom survive. They are Geo. R. of St. Joseph; Mortimer D., of Graham and Cora B. Lance of Graham.

"ONE A MINUTE" TO BE GIVEN BY DE MOLAYS

Time Is October 16 and 17—Directed by Miss Blanche Dow—4-Act Comedy.

"One a Minute" will be the play that the Maryville Chapter Order of DeMolay, will put on this fall. The time has been announced as Monday and Tuesday, October 16 and 17, and the place will be the Empire Theatre.

The play will be directed by Miss Blanche Dow of the State Teachers College and in the cast will be several members of the cast of "Believe Me Xantippe," given by the order last winter.

Miss Dow played in "One a Minute" in Washington when it was first produced, according to members of the DeMolay order. They say that she recommends the play highly. It is a comedy in four acts.

The committee that will manage the play consists of Wilson McMurry and William Mapel.

CIGARETTES MORE POPULAR THAN CIGARS, IS CLAIM.

Akron, Ohio, August 3.—That the cigar is becoming forgotten and that men are replacing it with the cigarette is the claim made by Arkon tobacco dealers.

The tendency to place the cigarette ahead of the cigar among all classes of smokes has become more pronounced in recent months, Frank T. Neid manager of a cigar store, declared.

"Cigarettes are not only more fashionable, but they are becoming cheaper. Perhaps this explains their increased popularity," said Neid. "Cigaret are now the cheapest in five years. Leading manufacturers are having a price war among themselves that has lowered prices to very attractive levels.

"A reason, perhaps as pertinent as cheapness of price, is the strong approval set on cigarettes by fashion."

CIVIL WAR "VET" FEARS HE MUST WEAR GLASSES

Middleport, Ohio, Aug. 3—Fear that he soon will be forced to wear glasses was voiced by W. L. Johnson, eighty-two Civil War veteran, when he came to Middleport the other day.

Johnson, who lives at Plants, said he can read the finest print without aid. He explained, however, that he is begining to feel the effects of his long stay in Andersonville Prison. It was there, he said, that he sat about little fires of pine wood until the resinous smoke injured his eyesight.

I Thank You!

To My Friends:

As it will be some time before I will see all of you personally, I am taking this method of expressing to you my appreciation and thanks for your support at the primary last Tuesday. I really appreciate what you did more than I can express.

I also want to congratulate Mrs. Clardy, winner in this race. I offer and pledge her my support in the coming election.

Gratefully yours,

MARION F. SMITH.

Varied Excuses Registered In Divorce Courts

Chicago, Aug. 3—Many and varied have been "eveuses," charges and complaints that have been registered in Chicago divorce courts, but the hardened attaches were given somewhat of a shock when a woman—Mrs. Alma M. Berngen— was granted a divorce as a result of a controversy over the subject of the relative value of trousers and skirts as "hiking" attire.

It had its beginning way back in 1917, when Herman L. Berngen and the plaintiff in the divorce action were members of a mountain climbing party in Colorado. At that time, it will be recalled, women's skirts were "built"—well it's hard to say whether for speed or comfort. Berngen came to the conclusion that so far as speed was concerned the skirt worn by his wife just wasn't and he made up his mind that a pair of trousers would be substituted.

Mrs. Berngen, however, held some very conventional notions and she declined, she stated in court, to make the change.

Brengen, she said, flew into a rage and seized her by the throat, seeking to thus impress her with the logic of his argument.

Her shirt waist was torn to shreds, she said, and her throat painfully hurt.

Berngen admitted having handled his wife roughly, but explained that he had lost his patience because his wife "wore tight skirts in the wilderness."

Three Classes Of Students Saying Goodby At S. T. C. Today

The summer has slipped away almost before we are aware of it and August 3 is here. It's time for us to say "Goodby" to S. T. C.

Nowhere can you find people lamenting that school is out.

Perhaps a number of people are saying that they are so worn out with this summer's work that they will never attend summer school again. For a few perhaps that will be true. The great majority however will go gaily towards their August vacations. September 1 will see them ready to start work in their own school rooms. A year will slip by and when next May comes they will pack their trunks and turn their faces toward Maryville, in order to better prepare themselves for their work.

There are others who say, "They work you too hard at Maryville; I'm not coming back here. They too will go joyfully towards their vacation. September will find them at work. As next May draws near they will begin to wonder where they will attend summer school. It won't take them long to decide that Maryville will give them more, perhaps, than any other place, even though they must work for it.

Then comes the third group. Lucky are they who can attend school this winter. Even though they are tired now they'll be ready for the fall term to open.

S. T. C., we bid you farewell happily. We're glad to have been here; we're glad to have worked for what we've gotten this summer; and we're glad to leave. But as we leave we carry with us happy memories of our work days and our playdays at Northwest State Teachers College. And to our memory book of friends we add many new faces.

(This article was written by Miss Thelma Eaton as an assignment in the journalism class of Miss Beatrix Winn at the State Teachers College.)

HOUSEWORK IS A BURDEN.

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Maryville women. Ask your neighbor.

Mrs. M. Bratcher, 1322 E. 2nd St., Maryville, says: "While recovering from a bad cold a terrible dull ache settled in the small of my back and bothered me constantly. As the days went by my back grew lame and sore and these pains darted around to my hips. I suffered severely and could hardly do my housework. I decided to try Doan's Kidney Pills which I had heard so much about. I purchased a supply at Gaugh & Evans Drug Store. The first box produced such good results I continued using them and after I had used three boxes of Doan's the pains left and I was completely cured. I highly recommend Doan's Kidney Pills to anyone afflicted with a similar trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills—the same that Mrs. Bratcher had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

LITTER OF TEN PIGS ARE BORN IN OKLAHOMA

Mangum, Okla., Aug. 3.—"Pigs is pigs" in Oklahoma, and W. J. Underwood, who raises them, is quite satisfied. A Poland China sow in his piggery recently had a litter of ten pigs. Ten days later the same sow had a2nd litter of nine. All of the first litter are living, and seven of the second litter survive.

Women dig their graves with their teeth. Constipation is the greatest curse of the day. Stagnant decayed matter in the stomach and bowels may cause serious trouble. Take HOLLISTER'S ROCKY MOUNTAIN TEA for Constipation—Results guaranteed. Especially recommended for women and children.—Gaugh & Evans.

RAVENWOOD FARMERS TAKE INTEREST IN LIMESTONE

J. S. Casteel Has Ordered One Carload and Will Send for Another If Demand Is Sufficient.

The farmers in the neighborhood of Ravenwood have turned their attention toward the applying of limestone to their soil to increase the production of alfalfa. J. S. Casteel has charge of ordering the limestone for the farmers and has ordered one carload. This car should arrive next week and will be distributed among the men. Orders are being taken now for the second load. It is thought that enough more will want the limestone to justify the ordering of this second load. Those who want the fertilizer should get in touch with Mr. Casteel.

ANGUS STEERS FROM NODAWAY COUNTY SCORE TOP OF $10.20

L. A. Nigh & Son, successful farmers and feeders of Nodaway County, sold a load of well-finished steers of the weighty class in St. Joseph Wednesday at $10.20, the extreme top for the day and week. The 22 head in the drove were of the Angus breed and averaged 1269 lbs. They were bought by the Hamond Packing company. Ernest Nigh, junior member of the firm, accompanied the shipment to the yards and expressed himself as well pleased with the sale. According to Mr. Nigh these cattle had been fed corn on the grass since March 1. The drove was purchased as calves a year ago last spring, grazed thru the summer, ruffed through the winter months and were in good flesh when started on full feed, early in March. All of the grain and other feedstuffs that went into the making of these beeves was produced on the Nigh farm. Mr. Nigh reports present prospects favorable for a big crop of corn in Nodaway county except in the lowlands where the floods of 3 weeks ago wrought heavy losses. On the upper ridges the corn is well advanced and promises a bumper yield, Mr. Nigh says.—St. Joseph Stock Market Journal.

This Is The Month

To plug watermelons.

To kill weeds and sprouts.

To gather your living from the garden.

To put the engine and cutter in order for silo filling.

To hope the drouth holds off until the corn and potato crops are safe.

To make the last hard drive against all bugs and fungous pests.

To set out strawberries. Plants set this month will bear well next spring.

To break wheat ground, and allow the seed bed to pulverize and pack the moisture before seeding.

To give the hen house and coops another coat of whitewash. Mites, lice and disease germs can be more easily controlled.

To cut out the old canes in the blackberry and raspberry patches while they can be easily distinguished from the new shoots.

To keep fresh water for the pigs. A hog is not a far distant relative of the hippopotamus, and likewise he needs his cooling bath.—Farm Life.

RURAL CLUB TO KEEP IN TOUCH WITH TEACHERS

This Was Announced at Meeting At Christian Church Last Night—Miss Croy President

The Rural Club of the State Teachers College is to keep closely in touch with its members who are teaching in the Northwest Missouri district this winter. This was announced last night at the closing meeting of the club held at the Christian Church. The club will offer whatever assistance it can in the way of furnishing speakers or other form of entertainment in the schools taught by its members this winter. Miss Fay Croy of Gallatin was elected president for next year.

Seventy members of the club were present at the meeting and there was a lot of enthusiasm. The following program was given:

Talk—President Uel W. Lamkin.

Reading, "The Congo"—Miss Anna M. Painter.

Talk—Prof. Bert Cooper.

Talk—Miss Grace M. Sheperd.

A lot of good jokes were told in the course of the program.

None of the officers for next year were elected with the exception of the president on account of the fact that the club makes an effort to see that the officers will be in school this winter. Miss Croy will be here and the other officers will be chosen after the opening of the fall term.

Merle Sweeman, retiring president presided at the meeting.

READER TAKES NEWER FORM OF IRON—FEELS YEARS YOUNGER.

"Six weeks ago I saw a special offer in the paper telling how thousands of people grow old in looks and energy long before they are really old in years, because, as examinations by physicians have shown, an enormous number of people do not have enough iron in their blood. I have been taking Nuxated Iron for two weeks; the results are simply astounding. The roses have come back to my lips and cheeks, and I can conscientiously say that I feel ten years younger."

The above is a typical hypothetical case showing the results that have been achieved by a great many people since we started this "satisfaction or money back" offer on Nuxated Iron. We will make you the same guarantee. If, after taking two weeks' treatment of Nuxated Iron, you do not feel and look years younger, we will promptly refund your money.

Call at once for a bottle of Nuxated Iron at Gaugh & Evans or any other good drug store.—Adv.

TO HAVE AGRICULTURE FAIR IN SCHOOLS AT PICKERING

Agricultural Films of the Chamber of Commerce to Be One of the Features

The agricultural films of the Chamber of Commerce will be shown at Pickering October 6 as one of the features of the agricultural fair that will be going on at Pickering at that time. The fair is to be given by the schools of Pickering and those surrounding Pickering.

J. N. Geyer, superintendent of schools at Pickering, is one of the leaders in the movement for the fair. It is to be given on October 7 and continue three days. Committees are at work already getting things in readiness.

There will be an exhibit of agricultural products and domestic science work. In addition to this there will be addresses by prominent men and women of the community.

Bootlegging Business Is Fast Fading, Says Haynes

By W. H. Atkins
International News Service Staff Correspondent

Washington, Aug. 3—The bootlegging industry is sinking by the head.

That may surprise you, but it is the statement of Prohibition Director Haynes.

"Without a market bootleggers must stop," Haynes says. "Their market already has been largely curtailed by cutting off sources of real whiskey. The only good whiskey now coming into the United States is through smugglers. But we have clipped the wings of the leading smuggling rings. By our methods we have made it unattractive for others to start the game."

Red liquor has been well controlled by the Government's restrictive programme, Haynes asserted. He claimed that very little of the whiskey now withdrawn on legal permits is being diverted to illegitimate uses.

Commissioner Haynes knows that liquor still comes over the smugglers' routes, but he holds that the volume is negligible and asserts that on that score it can not be contended that the liquor thirst is being quenched in any considerable degree.

"The smuggling source has supplied practically all the high-grade liquor which has been offered by bootleggers," the Commissioner said.

Will Check Smuggling

"We hope to work out a plan of co-operation with foreign Governments to check this influx of foreign liquor. The problem has been particularly troublesome. We are now overcoming some of the earlier obstacles to this phase of enforcement.

"We have successfully met the problem of illicit withdrawals of real whiskey from American warehouses and the illicit diversions of alcohol through commercial channels. We are confident that smuggling within a short period will cease to be one of our problems."

Prohibition officials have made a careful study of the smugglers' own charts. They know their sailing routes. They are acquainted with some of the leading smugglers through their "under cover men." They are wise to plans to start cargoes on their way to thirsty America, and at once take steps to receive the shippers when they land, or even before they have had a chance to reach shore with their precious load.

The Government keeps a staff of men busy at certain ports abroad, principally in Canada and the Bahamas and Mexico, watching vessels that are destined to the United States At many foreign ports they have established close working agreements with officials of other Governments. Closer tab also is kept now at American ports and upon land routes leading into the country.

WHEN WILL WATER MAINS BE FREE AGAIN FROM MUD?

Certain Sections of Maryville are Drawing it Out Continually

How long will the people in certain sections of Maryville have to look into bath tubs or basins of water drawn from the city mains and wonder whether they will be made cleaner or more dirty by washing in it?

Mayor Robinson says that mud and sand was drawn into the water lines several years ago and that this is what is causing the trouble now. This mud is polluting the water. He says that the water that is being sent to the mains from the pumping station is all right. The water is properly filtered and it is not muddy.

The water is not muddy in all sections of the city. It is clear in some of the business houses up town and there seems to be no trouble in the west part of town.

One naturally arrives at the theory that if no mud is going into the pipes now that in time the water coming out will be clear for the supply of mud will be exhausted. But how long will it be!

Miss Alene Carter is visiting at the home of her sister, Mr. and Mrs. Harry Tilson, at Burlington Junction.
